

Welcome, dear friends from near and far!

This website is dedicated to you! This website is meant to be a source of genuine information about the end times, and the last days of the end times, which we are living in now.

This website originated based on a mystical encounter with God Almighty I had in January 2014. In Joel 3,1 it is prophesied that God will pour out his Holy Spirit on all people.

„And after that, it will come about, says the Lord, that I will send my spirit on all flesh; and your sons and your daughters will be prophets, your old men will have dreams, your young men will see visions: And on the servants and the servant-girls in those days I will send my spirit. The sun will be made dark and the moon turned to blood, before the great day of the Lord comes, a day to be feared. And it will be that whoever makes his prayer to the name of the Lord will be kept safe.“ (Joel 3, 1-5)

God woke me up early in the morning in a period of approx. 17 days and talked to me. I was fully awake and conscious, it was not a vision nor a dream, God Almighty directly spoke to me. The first day, HE said three sentences. The first one was: *„We find ourselves at the immediate outbreak of the apocalypse.“*

The second sentence God told me was: *„Write now your book, so that people can get to the essentials.“*

The third sentence God told me was: *„But before, drive to Rome and study the papism and the jesuit order. Then write an open letter to the pope.“*

Almost unbelievable, but true: God Almighty spoke to me. On one of the following days God explained to me that the last days of the endtime will exactly occur like they are prophesied by his hebrew prophets and the way Jesus Christ has explained them. And God told me: *„And everybody will witness it.“*

In March 2014 I drove down to Rome and studied intensely the Roman Papism and the Jesuit Order. I stayed in Rome for six days and participated in the General audience of Pope Francis, visited the Vatican Musees and read altogether 15 books authored by Ratzinger and Bergoglio.

Overwhelmed by the might and power of the institution of the Roman popes, at one evening while in Rome I felt discouraged, small and insignificant. What shall I write to the pope? Nobody knows me and nobody will take notice or take me seriously, I thought. Most likely, the pope will never read the letter.

On the next morning God woke me up from the deep sleep phase just like he did in January of

2014, and again God talked to me: „*Write this letter, he m u s t be written.*“ God’s word was serious and definite. He had put an emphasis on the word „must“. There was no way back for me, now of course.

In May 2014 we sent the open letter (written under pseudonym) to Pope Francis, with original letter and seal and a CD Rome. Further copies of the document went to pope Benedikt XVI. (Josef Ratzinger), to arch bishop Georg Gänswein, to cardinal Müller, cardinal Kasper, Radio Vatican, to all German Roman Catholic dioceses, to the representatives of the lutheran church of Germany, to the former head of the lutheran Church in Germany, Schneider, as well as to other council members like Bishop Heinrich Bedford-Strohm, Mrs. Margot Käsmann and others. Furthermore the open letter to Pope Francis was sent to numerous representatives of other religions and other Christian Denominations as well as to various German speaking Newspapers and News Magazines and several press agencies in Germany and abroad. You can read the open letter to Pope Francis under documents in this website. It is in German language only. Unfortunately we have not been able to translate it yet into other languages.

The open letter is focusing on what God has told me: We are living close to the immediate outbreak of the apocalypse and we are very close to the revelation of the antichrist. It will be the most difficult time that humanity has ever experienced on earth. Ultimately, it is all about the welfare and future of our soules.

We still do have the opportunity to return to God almighty, or to intensify our relation with God. We still have the opportunity to recognize the tricks of Satan, we still have the opportunity to repent and ask God for forgiveness for all our trespasses, in thoughts, words and works. We still have the opportunity to ask for a new beginning with God, to repent and to ask for forgiveness and to stop sinning in the future, but to ask God for a new heart and a new spirit and to carry out his will.

And this includes to preach the gospel of Jesus Christ. And this gospel includes that we have to count with his second coming, in other words we have to get ready for the return of Christ on earth, who holds the keys of heaven and hell in his hands. We have to get ready for the Last Judgement and the separation of good and evil.

Many have today a wrong picture of Jesus Christ, they only know Christ as the lamb of God. They do not know or realize that Jesus is also the lion from the tribe of Juda and the coming King of the world who will intervene militarily to save God’s remnant people. He will fight against an incredible army, in the last battle of Armageddon. He will save many from evil and later he will build and create for his heavenly

father the messianic kingdom on earth.

Billions of christians are praying in their creed that Jesus of Nazareth, the anointed one is authorised by God to return to judge the living and the dead. We pray in the Lord's prayer: „*Let your kingdom come.*“ God imparted to me that this kingdom of Christ, which has been prophesied by many of God's holy prophets to the jewish people and to the whole world, will take place on planet earth. God holds on to his promises.

It is a clear sign of the endtimes and the last days that many people and even ministers and bishops break with the faith in Jesus, God and do not believe anymore in the miracles collected in the holy Bible, instead believe the bible is a collection of myths and stories, it is a clear sign that we are living in the very last days that many are deceived by the devil's deceit and lies.

Read in this context my open letter to father Anselm Grün, with 15 million copies of his books sold one of the most popular German christian authors. His book „To encounter/face evil“ provoked my open letter to this popular German priest.

Another important document you can read here under documents is an open letter to the head of the lutheran church in Germany, bishop Heinrich Bedford-Strohm, on the occasion of a sermon of his in Berlin, in June 2016. The topic of Bedford-Strohm's sermon was: „Where is God?“

Evolving from the open letter to Pope Francis I wrote a book „**My letter to the pope and to you. The book that is concerning us all – with prophecies about the upcoming apocalypse and the end of the world the way we know it.**“ This website is dedicated to present this book which is in my view currently the most important book in the German language on the endtimes topic. Even though the book also has weak sides and lengthy passages, it is still a vital book on the comprehension of the end times. The first comments on this book: „highly fascinating and brilliantly researched“ (lector Michael Zuch, Frankfurt).

A second book is in progress as you read this, the title of the book is: „**Die Rückkehr des Messias (The return of the Messiah).**“ This book we are also presenting here on this website. The book will, God willing, be published in 2017.

Dear friends, whether you are a Christian, or a Muslim or an orthodox Jew or an Agnostic or an atheist, we have to realize that we live in grave times. The empire of the antichrist, the New World Order and the One World Religion and one world Government is perfectly set up, ready to be implemented. Keywords are: Abolishment of cash, New World Order, FEMA Camps, enabling acts in the USA, One World Government, Geoengineering, Chemtrails, the Illuminati, Church of Satan, Luciferians, horrific crimes of the roman catholic church and other „elite“ power organisations like the so-called 9th circle (torture, ritual murder of children, human trafficking

usw.), Pizzagte and Pedogate scandals in the US.

Jesus called us to watch and pray :

Watch and pray that you may not enter into temptation" (Mt 26:40- 41).

Watch ye therefore, and pray always, that ye may [...] be accounted worthy to escape all these things that shall come to pass,

the Lord's command: "But watch at all times, praying that you may have strength to escape all these things that will take place, and to stand before the Son of man" (Lk 21:36 cf. Phil 4:6-7).

Christ will return as unexpected as a thief and will surprise many. „*See, I come as unexpected as a thief. Happy is he who is watching and keeps his robes, so that he may not go unclothed, and his shame be seen.*“ (Revelation 16, 15)

This means that only they that can cover themselves in white garments can exist in front of God, those who have cleansed their sins in the blood of Jesus. Jesus Christ is the lamb of God and has taken on him all the sins of this world. For the sinner it is important that he/she repents and returns to God Father and furthermore sins no more. Without sincere repentance and turning back to the Lord and furthermore doing away the sins we will stand in front of God naked and bare.

„*Be serious and keep watch; the Evil One, who is against you, goes about like a lion with open mouth in search of food.*“ (1. Peter 5,8)

This website contains many references and warnings concerning the endtimes and the last days.

I can strongly recommend not to let yourself be distracted by worries, fears, everyday routine life, or by wealth and by a good life. The apocalypse of God is going to begin any day now and the Last Judgement of God is not too far away now. Pope Francis supposedly mentioned in January 2016 that the seven year tribulation period has started with the execution of the Shiite clergyman in Saudi Arabia in Jan. 2016. (I see this differently, I believe the beginning of the tribulation period will be more clear to all.)

Return to God, your Creator and turn to him with all your heart and soul. This is the highest commandment, Jesus explained to us.

„*Have love for the Lord your God with all your heart and with all your soul and with all your strength and with all your mind; and for your neighbour as for yourself.*“ (Lukas 10, 27)

Be on high alert, since mighty Satan knows many ways and has many strategies to carry you

away with him down into the pits of hell, to eternal flames and death. The main churches generally speaking (at least in Germany) let their sheep run loose and many shep become easy prey for „wolves“ and other „wild beasts“.

The modern churches of today are lulling their members and tell them idle talk of the always merciful God who always will forgive all of our sins. Yes, God is a loving father and full of mercy, but HE is also a consuming fire. And Jesus is not only the Prince of Peace, but he holds the keys of heaven and hell in his hands, his father will give him the authority to judge the living and the dead.

If we are not willing to be corrected and return to God on our knees soon, we might have to carry the terrible consequences.

May the almighty God send out his Holy Ghost to you and open your eyes and ears, so that you may recognize the errors and learn to see the truth, so that you can prepare yourself and your loved ones, family and friends for the grave times that are coming at us without any doubt.

I send you special greetings, at God's command,

Hartwig Kraft von Wedel
